PRESS RELEASE

**LAUNCHING OF THE ENGLISH LANGUAGE RESOURCE
CENTRE AT SOKOINE UNIVERSITY OF AGRICULTURE**

WEDNESDAY 14TH SEPTEMBER, 2016

Members of the general public are hereby informed that Sokoine University of Agriculture (SUA), in collaboration with the Innovative Agricultural Research Initiative (iAGRI), is launching the English Language Resource Centre. This is a language learning facility which offers instructional and self access learning services through integrated technology based resources. The Centre is dedicated to offering structured language programmes which are aimed at improving learners' language proficiency to the best functional levels. Other language packages and services include tailor- made courses for specific clients available on demand, editing and proofreading, interpretation and translation, and general consulting services on language related matters, just to mention a few. The language services target diverse categories of clients, including, but not limited to, university staff and students and all other people working in education, business, media, hospitality, banking, transportation, and security sectors. Following this historical event and milestone, the Principal of the College of Social Sciences and Humanities, SUA, invites the general public to take part in the launching event and, thereafter, make use of this great opportunity to improve your English language skills and competences.

The event will take place at the **Solomon Mahlangu Campus of Sokoine University of Agriculture** on **Wednesday, 14th September, 2016**, starting at **9.30 am**.
