

# NEWS!

Sokoine University of Agriculture Laboratory for Interdisciplinary Statistical Analysis (**SUALISA**) would like to announce to the SUA community that it would be offering the following short courses in statistics using statistical software from Monday **10<sup>th</sup> April 2017 to 27<sup>th</sup> April 2017** at **iAGRI building** between 2pm and 4pm. You are all invited to attend.

**The registration fee is 5,000/=Tshs**, per a course. Registration would be made upon your arrival in a venue at iAGRI building. Please contact Fauster Mwenda via the following address to confirm your participation and your course of interest:

Email: [mwendafauster24@gmail.com](mailto:mwendafauster24@gmail.com)

Mobile: **0719-885486, 0753-478123**

**Who should attend?** Postgraduate students and instructors are highly encouraged to attend. You are all welcomed to attend.

**How you will benefit from the course(s):** Each course is a two-hour course, which will provide participants with practical skills to be able to effectively implement a real-life related problem needing statistical skills application.

**Venue:** The venue for all of these courses would be in iAGRI building

S/N	Course Title	Date	Trainer
